

ACIA Aero Leasing Signs TrueChoice Engine Service Agreement with GE Aerospace

Dublin, Ireland – July 22, 2025 - ACIA Aero Leasing (“ACIA”), a leading provider of regional aircraft leasing and lease management services and solutions, announced today the signature of a TrueChoice Agreement with GE Aerospace (NYSE:GE) to cover maintenance, repair and overhaul services of its CF34-10E engines that will allow it to expand and grow its Embraer E1 platform.

“We see the E1 E-Jet platform as an excellent complement to our turboprop portfolio. By concluding this TrueChoice agreement with GE Aerospace, we will be able to source and acquire E1 aircraft for onward leasing to our customer base with a competitive solution already on the table for the CF34-10E engine overhaul. We look forward to continuing to develop our existing relationship with GE Aerospace”, said Mark Dunnachie, SVP Commercial ACIA Aero Leasing.

TrueChoice services incorporate an array of GE Aerospace capabilities and customizations across an engine’s lifecycle. All TrueChoice offerings are underpinned by GE Aerospace data, advanced analytics and experience to help reduce maintenance burden and service disruptions.

"GE Aerospace is honoured that ACIA Aero Leasing selected us to maintain its Embraer E1 engine fleet,” said Russell Stokes, President and CEO, Commercial Engines and Services, GE Aerospace. "This TrueChoice agreement will ensure their engines are maintained to the highest standards to ensure outstanding engine reliability and performance.”

About GE Aerospace

GE Aerospace is a global aerospace propulsion, services, and systems leader with an installed base of approximately 49,000 commercial and 29,000 military aircraft engines. With a global team of approximately 53,000 employees building on more than a century of innovation and learning, GE Aerospace is committed to inventing the future of flight, lifting people up, and bringing them home safely.
